About the sessions

Youth Camp - This Co-ed camp is open for students entering into grades 4, 5, 6 and 7. **2K12 Youth Camp** will teach Fundamentals and enhance skill development through series of instructional situations. Campers will also participate in Team Play and take part in several live games through out the week. (30 participant max)

Junior Camp - These separate Boys and Girls Camps are open for students entering into grades 9 and 10. The **Junior 2K12 Camps** will teach Fundamentals and enhance skill development through series of instructional situations. This Camp will introduce athletes to team offensive and defensive concepts while practicing these skills in various game situations. (24 maximum player / session)

Senior Camp—The **Senior 2K12 Camp** will be split into a Senior Girls Session and a Senior Boys Session. Emphasis on this camp is focused on the Offensive and Defensive techniques and skills of the game. Special emphasis will be placed on the team concepts of Motion and Transition offense and man to man defense. Each athlete will receive the individual and position specific fundamentals that they require to compete at a higher level. (Boys 24 participant Max and Girls 24 participant Max)
